

# Lewiston Bridge Lighting & Fireworks November 26, 2011

This letter introduces members from the Lewiston Community Association (LCA) —a group of citizens from the community of Lewiston, CA who have joined together to make their community a better place to live and recreate.

The LCA has stepped up to the job of putting on the annual Lewiston Bridge Lighting & Fireworks, which is held on the Saturday following Thanksgiving—November 26.

We have four levels of Sponsorship this year and hope that you will be one! The top three levels all include the same benefits, except that the font size will vary from large to small depending on the size of the donation. Benefits include having your business in an ad in the Advertiser, listed on the website, [www.lewistonbridgelighting.com](http://www.lewistonbridgelighting.com), displayed on the Thank You Banner and in our Thank You ad.

Santa Claus Level \$750      Christmas Tree Level \$500      Tinsel Level \$250

These banners will be displayed year after year at the Bridge Lighting event.

The Christmas Elf & Angel level is a \$100.00 donation and your name or business will be displayed on the website.

**All** donations are tax-deductible as the donations are being handled by the Lewiston Sparkies, a non-profit fundraising group— tax id # 20-1621381. A portion of the proceeds will be donated to the Lewiston Fire Department to help cover their operating expenses.

We would greatly appreciate your support in keeping the fireworks tradition and holiday spirit alive! Be sure to come and join us on November 26 for a wonderful, festive time!

---
